

Join Saint Mary's and Saint Andrews for a fun opportunity to support a dynamic Kansas City metro ministry. Cherith Brook is a Catholic Worker House, established in the tradition of Dorothy Day. Cherith Brook serves our houseless neighbors in the Northeast part of Kansas City, Missouri. They provide hot meals, prayer services, laundry service and showers for the marginalized among us. They work to help support and affirm the dignity of the whole person.

Pods for Pies is a unique and fun opportunity to help support the laundry portion of Cherith Brook's ministry. We are asking that you bring laundry detergent sheets or pods to donate to Cherith Brook and you will be invited to share in Pi Day fellowship sharing pizza and pie for a "Pi Social".

Fellowship and break bread with friends from other metro-area parishes.
Donate directly to the laundry ministry of Cherith Brook Catholic Worker House.
