Title Election of Assistant Registrar
Proposer Chancellor's Office

Be it resolved that Article IV of the Constitution of the Diocese of West Missouri be amended as follows:

REGISTRAR AND ASSISTANT REGISTRAR

*****

SECTION 11. The Convention shall, on the nomination of the Ecclesiastical Authority, elect an Assistant Registrar to serve a term of three years. If a vacancy occurs in the office of Assistant Registrar due to death, resignation, removal, or otherwise, the Ecclesiastical Authority shall have the power to appoint an Assistant Registrar to serve until the next Annual Convention, at which time the Convention shall, on the nomination of the Ecclesiastical Authority, elect an Assistant Registrar to serve the remainder of the unexpired term.

Explanation

This provision was supposed to have been included as part of Substitute Resolution 2024-1 that was presented to Convention and approved on first reading. For some reason, it did not make it into the version that was submitted to Convention. This new provision outlines how the Assistant Registrar (an office created by Resolution 2024-1) is to be elected.
